AIR FLOWMETERS

CATALOGUE 2012

Please read the following carefully

1. This catalogue replaces all previous issues.
2. This catalogue is protected by copyright, the duplication of it, or any part of it is prohibited.
3. We reserve the right to modify our components as necessary.
4. The original equipment part numbers and competition part numbers indicated in the catalogue only serve as a cross-reference comparison with QAP numbers.
5. Every effort has been made to ensure that the information in this catalogue is correct, but QAP will not accept any responsibility for errors which may occur.

Content

ALFA	1-3
